

SECTION 8 HCV PROGRAM INFORMATION FOR LANDLORDS

THE PROGRAM: The Section 8 Housing Choice Voucher Program, a voluntary program for both landlords and tenants, is a Federally Funded effort designed to assist eligible, very low-income families with their monthly rental housing payments.

INCOME LIMITATIONS AND PAYMENT STANDARDS (In order to be eligible for this program tenant's income cannot exceed income requirements based on number of members in household – see chart below).

EFFECTIVE 05/01/2020, RICHLAND COUNTY INCOME LIMITS:

Family Composition	1 Person	2 Persons	3 Persons	4 Persons	5 Persons	6 Persons	7 Persons	8 Persons
Income Limits	24,800	28,350	31,900	35,400	38,250	41,100	43,900	46,750

PAYMENT STANDARDS BASED ON BEDROOM SIZE

The payment standard is the amount that HUD designated for rent and utilities for a unit based on bedroom size. It is important to note that the payment standard used for the household will be based on the household composition AND the actual number of bedrooms in the unit.

Effective 01/01/2021, the payment standards in Richland County are:

Unit Size	0 Bedroom	1 Bedroom	2 Bedroom	3 Bedroom	4 Bedroom
Payment Standard	500.00	604.00	734.00	991.00	1051.00

These limits include rent and tenant paid utilities. If the rent does not include utilities, tenant-paid utilities are calculated based on a schedule of monthly averages for Richland County. Using this schedule, we calculate the utility allowance for the unit.

The rent plus the utility allowance is the Gross Rent for the unit. If the gross rent exceeds the payment standard, the program participant pays 30% of the household's adjusted monthly income plus 100% of the amount over the payment standard. For example:

- If the gross rent (rent plus utility allowance) is at or below the payment standard, the tenant pays 30% of the household's adjusted monthly income toward the gross rent.
- If the gross rent (rent plus utility allowance) is \$25.00 more than the payment standard, the tenant pays 30% of the household's adjusted monthly income plus \$25.00 toward the gross rent.

New admission tenants cannot pay more than 40% of the adjusted household's adjusted monthly income or the unit will not qualify for the program. This is referred to as a 40% guideline.

We pay the landlord the difference between 30% of the household's adjusted monthly income and the payment standard. This amount is paid directly to the landlord.

*****Since each participant's portion of the rent is the result of a unique calculation, it is impossible to quote a rental amount without applying required personal information to the formula.***

PROCESSING STEPS

1. Applicant contacts landlord in regards to wanting to rent a unit the landlord has advertised and advises the landlord that they hold a Section 8 Voucher with the Richland County Housing Authority.
2. **Landlord must do their own screening, background check and previous landlord reference check of the prospective tenant and set-up a time for the prospective tenant to see the rental unit.**

****Please note – the Richland County Housing Authority only determines the program eligibility of the family**

3. Prospective tenant will then give the landlord a Request for Tenancy Approval Form that the prospective tenant and landlord must complete and the tenant must return the form back to the housing authority.
4. The housing authority will then take the Request for Tenancy Approval Form and based on the information do rental calculations to make sure the unit will work with the tenant's income and HUD's 40% guideline.
5. If the unit will work with the income and 40% guideline, the housing authority will then set-up a time and date with the landlord to do an HQS (Housing Quality Standard) inspection on the unit. A Good Place to Live brochure can be picked up at the Richland County Housing Authority office and that explains what is be looked at during the inspection.
6. If the unit fails, the landlord and the prospective tenant will be notified and the landlord will be given 30 days to make the unit compliant. If the unit passes the housing authority will complete the move-in-process for the prospective tenant to rent from the landlord.
7. The landlord and the tenant will be required to come to the housing authority to execute the appropriate contracts.
8. **NOTE: NO LANDLORD OR TENANT SHALL ENTER INTO A LEASE THAT IS SUBSIDIZED BY THE RICHLAND COUNTY HOUSING AUTHORITY UNTIL THE UNIT PASSES THE INCOME GUIDELINES OF 40% AND A HOUSING QUALITY STANDARD INSPECTION. FAILURE TO FOLLOW THIS RULE COULD RESULT IN A LANDLORD AND TENANT ENTERING INTO A LEASE, THAT THE RICHLAND COUNTY HOUSING AUTHORITY WILL NOT SUBSIDIZE.**
